First Annual

2025 Farm Summit

What do you get combining climate change, nutrition, health, and

regenerative ag?

A summit unlike none other in the US in Northern MT with 50 attendees and a lot of fun. Promoting local and regeneratively grown foods supports our economy and our farmers, improves our patients' health, and is a climate solution!!

"A Young Nurse's Perspectives"

MtHPHC TV is still happening!

Watch Drs Rob and Lori Byron and RN Mads Harner this month. Mads is an RN pursuing an MPH with an emphasis on hospital sustainability. Watch the episode [here](#)

Register Yourself!
www.ridefortheirlives.com

Share with your Billings Friends!

We need volunteers and cyclists!

Co-sponsored with Billings Trailnet

Info, and Register

=

**Did you know that Ravalli County is the #1
county for wildfire risk this year?**

Information about HEPA Filters

BCAG distributes HEPA filters!

Bitterroot Climate Action Group (BCAG) is giving away 54 HEPA filters to households in need thanks to private donations to BCAG and a grant from the Rapp Family Foundation.

Our goal: "406 in the 406"

Would you consider tabling, manning the conference registration table, writing a story, or taking another action as part of MtHPHC? Our goal is to find 406 willing to do some action on climate!

We are at 129!

[Join us as a Climate Health Steward](#) or contact us at info@montanahphc.org with questions!
