MTCLIMATESTORIES

Our journalism assistant , Haley Yarborough, helped Teresa Wicks, RN, craft a story for this website. She can help you too! Contact us at info@montanahphc.org!

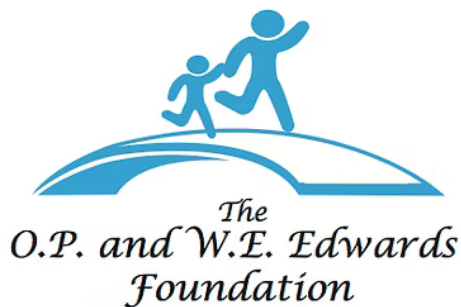

We are as project partner on this website

Read her story!

NPR series from Missoula Mental Health Specialist

Missoulian LCSW Sarah Aronson's second season tackles the many dissonances of trying to live well day-to-day amid the climate crisis.

HEPAs for preemies!

Thanks to O.P. and W.E. Edwards Foundation !

Thanks to Edwards, we will be reaching out to provide education to families and siblings of NICU graduates and providing HEPA filters for wildfire smoke season. If you have connections with any NICU staff, let us know at info@montanahphc.org

We want YOU on our T.V. show!

If you are going to be in Billings, we would love to interview you on our monthly show at Community & TV. Contact us at info@montanahphc.org. [This month, listen to Dr. Notario, Vice-President, Montana Chapter, American Academy of Pediatrics.](#) At the link, search for "Our Planet, Our Health".

RECENT ACTIONS AND PRESS

26.01 [CO2Foundation story about us](#)

26.01.27 Lori Byron, interview with Moms' Clean Air Force

25.12 Dr. Jenn Robohm Training climate-aware clinicians: suggestions for providing psychological care in a changing climate.

*****Our Communications Committee needs new members. Hillery Daily leads the effort and journalist Haley Yarborough assists in writing climate/health OpEds for Montana Newspapers. Interested in joining? Email us at info@montanahphc.org*****
