No Industry Should be Above the Law

📅 Due by Oct 31, 2026 👥 18

Permanent Immunity for Big Oil?

There is a bill in Congress now (House and Senate) to grant permanent immunity to Oil and Gas Companies. If they cause harm, they should be responsible for the harm like every other company and individual in America! Sign a letter to our Congresspeople [here](#)

Moodle Course Climate and Your Health: 12 free CE credits!

Moodle is a Learning Management System that offers learners a secure, integrated system for personalized learning. It has WCAG 2.1 Level AA accreditation.

12 Individual Lectures

****Complementary continuing education for Pharmacists, Nurses, Medical Doctors, and Sanitation professionals.**

Each course outlines the health impacts of a warming planet through a few examples on a specific topic, and then provides solutions and actionable steps that healthcare professionals can take to address these effects and contribute to positive change.

Montana Health Professionals for a Healthy climate

FREE Continuing Education

Must register on the site, and then you can log in.

Clean Air Clubs Across the Country

Americans are really concerned about Clean Air! In part because health professionals are so vocal on the need for climate action! [This Guardian article](#) talks about Mutual Aid Groups distributing masks to protect human health.

* Above, Julia gives a flash demonstration at the annual MREA Clean Energy Fair last weekend!
